San Mateo County State Route 101 - Managed Lane Project (MLP) Public Scoping Meeting

San Mateo County/San Mateo - Caltrans will hold a public scoping meeting to present a proposed Managed Lanes Project on Route 101 in Northern Santa Clara and San Mateo County.

The California Department of Transportation (Caltrans), as owner and operator of U.S. Highway 101 and Lead Agency under the California Environmental Quality Act (CEQA) and National Environmental Policy Act (NEPA), will prepare a draft environmental document for the project.

The project sponsor is a multi-jurisdictional partnership of the San Mateo County Transportation Authority (SMCTA), City/County Association of Governments of San Mateo County (C/CAG) and the State of California Department of Transportation (Caltrans).

The scoping meeting will be held to provide the public an opportunity to view the scope of the project and provide comments on potential relevant environmental issues that should be considered during the preparation of the environmental document.

Written comments on the scope and content of the environmental document also will be accepted through Friday, November 18, 2016. Please send additional comments to: Yolanda Rivas, Caltrans Office of Environmental Analysis, P.O. Box 23660, Oakland, CA, 94623-0660; e-mail: SM101scoping@dot.ca.gov

Displays will be available for viewing along with comment cards for the public to provide input on the project's potential environmental impacts.

The staff from San Mateo County Transportation Authority (SMCTA), City/County Association of Governments of San Mateo County (C/CAG) will also be in attendance.
